Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Dr. Micah Dyer, Superintendent at (361) 275-1914

Purpose

The Student Code of Conduct (“Code of Conduct”) is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Code of Conduct has been adopted by the Cuero I.S.D. Board of Trustees and developed with the advice of the district-level committee. This Code of Conduct provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code of Conduct shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Code of Conduct is adopted by the district’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code of Conduct and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school-sponsored or school-related activity on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal of the campus or any other campus administrator selected by the principal. The CBC is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as CBC. Contact information may be found at cueroisd.org.

Threat Assessment and Safe and Supportive School Team

The CBC or other appropriate administrator will work closely with the campus threat assessment and safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Reporting Crimes

The **principal or campus behavior coordinator** and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Security Personnel

The board utilizes school resource officers (SROs), school marshals, and/ or security personnel to ensure the security and protection of students, staff and property. In accordance with law, the board has coordinated with the CBC and other district employees to ensure appropriate law enforcement duties are assigned to these persons. Provisions addressing the various types of security personnel can be found in the CKE policy series. The law enforcement duties of school resource officers are to have a police presence at a public school, safety or drug education to students of a public school and other similar services

“Parent” Defined

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code of Conduct.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, ~~school resource officer~~ SRO, or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

See **DAEP—Restrictions During Placement** on page 24, for information regarding a student assigned to DAEP at the time of graduation.

- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

Discipline Management Techniques

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Code of Conduct. To the extent any conflict exists, the district shall comply with federal law . For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see **glossary**) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief "time-out" period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation (victim-offender).
- Classroom circles.
- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.

- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties, such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use.
- Out-of-school suspension, as specified in **Out-of-School Suspension** on page 17.
- Placement in a DAEP, as specified in **DAEP** on page 19.

- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.

- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The CBC shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The CBC shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the CBC shall send written notification by U.S. Mail. If the CBC is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or CBC, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the CBC office, or the central administration office or through Policy On Line at the following address: www.cueroisd.org.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance.

In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office or the CBC office to maintain effective discipline on the bus. The principal or CBC must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the CBC ~~campus behavior coordinator~~ may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the CBC office as a discipline management technique. The CBC shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code of Conduct to maintain effective discipline in the classroom.

Formal Removal

A teacher may also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the CBC coordinator or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the CBC or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension. ISS
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code of Conduct as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the CBC or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision.

The CBC shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or

6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to ISS or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

Summer programs provided by the district shall serve students assigned to a DAEP separately from those students who are not assigned to the program.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code of Conduct.

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Criminal mischief, not punishable as a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see **glossary**) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The CBC **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony.
 - Commits an assault (see glossary) under Penal Code 22.01(a)(1).
 - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in Expulsion on page 56) (See glossary for "under the influence," "controlled substance," and "dangerous drug.")
 - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision.
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Sells, gives, or delivers to another person or possesses or uses an e-cigarette.
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See glossary.)
 - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is six to nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in

combination with another expellable offense is addressed in Expulsion on page **Error! Bookmark not defined.**)

- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see glossary),
 2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
 3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjunction for sexual assault or aggravated sexual assault another student on the same campus; and
- The victim's parents or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP shall be made by the CBC.

Conference

When a student is removed from class for a DAEP offense, the CBC or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the CBC or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

4. Self-defense (see **glossary**),
5. Intent or lack of intent at the time the student engaged in the conduct,
6. The student's disciplinary history,

7. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, or
8. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
9. A student's status as homeless.

Placement Order

After the conference, if the student is placed in the DAEP, the CBC shall write a placement order. A copy of the DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order shall give notice of the inconsistency.

DAEP at Capacity

If a DAEP is at capacity at the time the CBC is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS then transferred to a DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a DAEP is at capacity at the time the CBC is deciding placement for a student who engaged in violent conduct, a student placed in a DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS to make a position in the DAEP available for the student who engaged in violent conduct. If a position becomes available in a DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a DAEP for the remainder of the period.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The CBC shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the CBC or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code of Conduct.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the CBC office, the central administration office, or through Policy On Line at the following address: www.cueroisd.org.

Appeals shall begin at the lowest level with the board's designee.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions During Placement

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or cocurricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

The district shall provide transportation to students in a DAEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the CBC may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see **glossary**), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the district's Code of Conduct in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the CBC may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the CBC or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including in another state.

When a student enrolls in the district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the

student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.
